

La Leche League New Zealand Conference 2010

We are really looking forward to providing an informative and vibrant programme for our Conference in October. We have wonderful speakers and topics as outlined below and a host of other activities to enjoy. Get your camera out and enter the LLLNZ photo competition; prizes are offered but the best prize is to have your photo published by LLLNZ in one of our publications. The LLLNZ Conference is a great chance to catch up with friends and it's not too soon to start planning your item for the entertainment on the Saturday night. See you there.
